

Sponsors Page

We would like to thank those institutions that have helped the Club financially in 2005/6. Our three main benefactors have been:

1. UK Athletics;

The sport's main sponsoring body awarded £500 to the club in 2005 as winners of the South East Area Club award for innovation. Details of this are available on www.ukathletics.net in the Club Zone/UK Club Awards 2005.

2. BAA plc;

The world's largest airport company awarded the club £250 for coaching development as part of its I-Volunteer programme. The following link has good information about BAA, including airport arrival and departure times, www.baa.com whilst the next link is to BAA's volunteering partner www.do-it.org.uk.

3. Sussex Sports Partnership;

SSP has kindly paid for many recent UK Athletics Coaching Courses for the Club as well as providing some excellent generic coaching courses. The Partnership is part of the University of Brighton Sports Development Unit and details are available on the following link www.sussexsport.org.
